With the blessings of "Amma Chandrawati", Chandrawati Education Society(CES) since 2000 has an aim of providing quality technical education. The society established its first women institute as Rajasthan College of Engineering for Women (RCEW) in the year 2002 with a vision to impart futuristic technical and management education to serve the nation with a most proficient flux of engineers and management professionals.

## About RCEW

To establish a world class platform for creation, dissemination and application of knowledge in the field of engineering & management through quality study, research, pedagogy and consultation. The college is built on its traditions of innovation, problem solving and interdisciplinary collaboration to meet the changing needs of the society at large & industry in particular.

## Vision

To create skilled manpower for meeting the current and future demands of the Industry. To recognize education and research in close interaction with the Industry, society and emphasis on the development of leadership qualities in the students entering the portals of the institute with sensitivity to social development and an eye for opportunities for growth in the international perspective.

## Mission

## Why Choose Us?

- 100% placement Assistance.
- Well Qualified & Experienced Faculty Members.
